Recommendations to Public works

1. bike lane through Walker
2. Tennis court overhaul
3. shoulders at the entrance to Walker and Coleville brought to code
4. Covers over lights at the senior center and community center (bring up to the County Standard for Dark Skies compliant lighting)
5. re-pave Hackney Dr. and the area around the senior center
6. Recycling - (town hall)
7. Dump needs attention (932-5447 - Mira - solid waste)
8. County road repair

Patti suggested developing a questionnaire to get public input. John Peters will have a town hall and will bring up the maintenance issue priorities. Have ideas for John at next month's meeting.
