# SIERRA BUSINESS PARK

## Amendment #2

Board of Supervisors  
June 17, 2014

# Project Background

- ▣ In 2000 the SBP SP, TTM 36-159, and FEIR were adopted
- ▣ In 2007 an amendment was adopted to modify the number of caretaker units allowed, modify parking standards, and modify snow storage requirements
- ▣ SBPOA worked with staff to develop Amendment #2

## Amendment #2

- 1) Make minor technical changes
- 2) Clarify Land Development Technical Advisory Committee requirements
- 3) Clarify requirements for on-site storm-water retention and oil/ water separator
- 4) Consolidate references to fencing and screening requirements into one section
  - o Clarify appropriate construction, design and applicability
- 5) Institute paving requirements
- 6) Clarify snow storage

# Comments Received

## Section 3.14 Screening Requirements.

A substitute for Verti-Crete may be **approved reviewed and recommended** by the Sierra Business Park Association if found to be similar color/texture/appearance. A landscaping plan **approved-reviewed and recommended** by the Sierra Business Park Owners Association may be considered a substitute for the screening requirement. **Mono County shall consider recommendations of the owners association when granting deviations from the Verti-Crete requirement.**

## Section 3.15.b

Drywells shall be required for all **lots uses**. A grading permit shall be required from the Mono County Department of Public Works for all drywells and on-site retention shall be engineered for maximum lot coverage.

Susan Balint 05.01.14 Email:

Questioned barbed wire requirements. Clarified to Sue this has always been in the Specific Plan and what the existing requirements were.

# Planning Commission

- The Planning Commission considered the item at a noticed public hearing on May 8, 2014. Commission motion directed staff to make following changes:
- 14. d. Barbed wire shall only be permitted in conjunction with the required fencing around the site Sierra Business Park perimeter.
- 15. a. All vehicle access, parking and equipment storage areas shall be paved. Areas devoted to vehicle access, parking and storage of equipment or materials which have potential to discharge oil or other petroleum-based contaminants shall be paved unless otherwise approved by LDTAC.
- The Planning Commission adopted Resolution 14-02 recommending acceptance of the EIR Addendum and that the Board of Supervisors approve the Sierra Business Park Specific Plan Amendment on a 5-0 vote.

# Environmental Review

- ▣ An addendum to the FEIR was prepared

CEQA Section 15164 (a) provides that “the lead agency or responsible agency shall prepare an addendum to a previously certified EIR if some changes or additions are necessary but none of the conditions described in Section 15162 calling for preparation of a subsequent EIR have occurred.” In accordance with CEQA, an addendum to the Sierra Business Park FEIR has been prepared and is enclosed for the commission’s consideration.

# Recommendation

The Planning Commission recommends that the Board of Supervisors adopt the resolution taking the following actions:

Approve Sierra Business Park Specific Plan Amendment 14-001, having considered the addendum to the Sierra Business Park EIR, subject to the findings contained in Board of Supervisors Resolution R14\_\_.
