Regular Meeting

Board of Supervisors

Public Comment-

Eric Swab

Eric. S Notes; for Mono county board of supervisors, Dec. 6, 2016 Regular Meeting.

I would like to bring to your attention or serve notice to this body.

Thank you, for this opportunity to address the Board of Supervisors of Mono County, on this Health & Safety concern.

1. Did you know that LPPSR-Lone Pine Paiute-Shoshone Reservation had a General Council Meeting Sunday 4, 2016 ?? It was video tape ??
2. This public meeting, was talking about (OVIHA's – Owens Valley Indian Housing Authority), Camp Antelope water system??? Clean Water Act requirements'?? etc.
3. No one was certified to run it since July 2016 ?? All of it to mislead the tribe or public ?
4. The water system was taken apart without permits (signed)?? Public money used ?? all without government approval ??
5. The public has a right to know if the board of supervisors used their authority to hide the facts from the public ??
6. It appears from this public meeting, the tribal government, Knew they had old or no permits?? It was OVIHA land base. And will still place the trailers in without California codes??? Some Tribal officials may have misinformed county officials??

Note; OVIHA was operating pursuant to U.S. Housing Act 1937 (42 U.S.C. 1437) not a entity of LPPSR- Lone Pine Paiute-Shoshone Reservation, Big Pine Indian Reservation, Independence Reservation, Bishop Reservation. Note; Look at audits

The new LPPSR housing members will be in place at the next general council meeting. The money and asset of OVIHA will be dissolved as soon as possible. It appears to me, all monies where spent illegally. (\$825,000.00 tribe packet.) no housing policies in place, No public policies in place, no NEPA, etc.

I would like see any and all of mono county records that would justified this action of LPPSR- Lone Pine Paiute-Shoshone Reservation ???

"EVERY DAY CAN BE LEGENDARY" CAMPAIGN

November 2016

Mammoth Lakes

CALIFORNIA

Mering Carson

OBJECTIVE:

This campaign is all about encouraging people to use their hard-earned vacation time in Mammoth Lakes. People want to get the most out of their Paid Time Off, and what better way to do so than to fill those days with adventure?
