

SUPPLEMENTAL QUESTIONNAIRE

Services Division Team Lead

Please respond to the following questions as they relate to your own experience, training, and interest in this job position.

Total response must be submitted on no more than five, single-sided, single-spaced, typed pages. Any additional pages will not be reviewed.

Questions:

1. In two paragraphs or less, provide your background and how it qualifies you for this position.
2. Relate your experience providing enterprise-scale technology support.
3. Describe your experience with analysis, selection, implementation, and customer success efforts you have participated in while implementing a new software platform or technology.
4. Clearly describe your personnel management experience and size of teams you have led in the past.
5. Mono County is interested in improving the wireless coverage across its Bridgeport 'campus.' We are on a relatively tight budget (approximately \$5k) and likely need 10 Wireless Access Points. Please provide a single-paged proposal which outlines cost and basic details of two product options. APs must be capable of being managed via a central controller and support RADIUS authentication.

NAME (Print): _____

I affirm with my signature below that my responses to the above questions on the attached pages are true and correct to the best of my knowledge. I understand that falsified information, or failure to attach this Supplemental Questionnaire and responses with my completed County Job Application, will be cause for disqualification from the recruitment process.
