Dear Mr. Draper,

During the original subdivision process of our tract, Tract 34-26, Mono County required June Lake Highlands, LLC to establish CC&Rs. These were designed to establish controls on land use and building standards. As you may know, our tract has a few lots that allow duplex units, not just single family homes. These duplex lots are mainly those lots in close proximity to Interlaken and access Leonard Avenue. The County allowed rental of these but only long term rental, not short term rental.

Move forward a few years and the County is now trying to create more "warm beds" in the June Lake area to provide support for both our winter and summer sports areas. June Mountain Ski Area especially has a hard time "keeping the lights on" some winters. The county has voted to allow short term rental to select properties in the June Lake area. Within our tract, it applies to lots in the "Leonard Avenue Neighborhood".

The majority of lot owners in Tract 34-26 have voted to modify the CC&Rs for Tract 34-26 to allow short term rental for units built on Lots 4 through 10. These are all duplex-allowed lots that presently have no structures and that take their access directly from Leonard Avenue. Lots 7 through 10 back up to Interlaken property garages. Lots 4, 5 and 6 are across Leonard Avenue from these lots. It is requested that each owner/builder of Lots 4 through 10 be allowed to short term rent either one or both of their duplex units. If the owner/builder of any of these lots builds only a single residence, that too would be allowed short term rental when not in use by owner. All other provisions of Tract 34-26 CC&Rs are applicable.

Thanks for your help.
