

Community Workshop #1

US 395 Lee Vining Pavement Rehab Project

Lee Vining Community Center | 296 Mattly Avenue

6:00 PM – 8:00 PM | July 24th, 2018

1. Welcome and Introductions

6:00 – 6:15 PM

2. Presentation and Questions

6:15 – 6:45 PM

- Overview of the project, community engagement process, and community preference survey results; and how comments will be used to inform future designs.

3. Small Group Activity

6:45 – 7:25 PM

- Community members will divide into groups. Groups will have approximately 30 minutes to answer the questions below. Participants will write their ideas and mark their improvements on large posters containing a map of the corridor.
 - What currently works well along the US 395 corridor, both in Lee Vining and along Mono Lake?
 - Where are there opportunities for specific pedestrian, bicycle and vehicular improvements along the US 395 corridor? Groups will have the opportunity to cut out images of different potential improvements and place them on the map in the location they are needed.

4. Large Group Report-Back

7:25 – 7:55 PM

- A spokesperson from each group will have an opportunity to share their key ideas and locations for pedestrian, bicycle, and vehicular improvements.
- Each group's map with improvements will be displayed in the front of the room.

5. Close and Next Steps

7:55 – 8:00 PM
