Supervisor's Report: Tim Fesko: Trip to DC met with Congress and our Representatives. Discussed potential Sage Grouse Listing, worked on fund raising for the Bi-state Sage Grouse Recovery Plan. The Plan needs funding (\$38M) in lieu of listing the Sage Grouse. (84% of private land in Mono County would be in critical habitat.)

Supervisors discussed the RPACs and membership stays as status quo.

Requested to be put on next month's agenda:

- Do we want RPAC membership terms?
- Do we still want Fesko on the RPAC (last item on the agenda and Tim will dismiss himself)
- Follow up with a letter to the BOS with our decisions (record #'s for and against)

Un-met Transit Needs: Scott Burns:
